

# New House Farm Camping Rules & Regulations

To make sure that all who come to New House Farm have a pleasant stay there are a number of rules and requirements that we must ask that you abide to.

Please...

- book in advance to avoid disappointment as we have a limited number of pitches
- **arrive between 2:00 & 9:00pm**
- make sure you report to the farmhouse on arrival **before** going onto the camp site & pitching your tent
- where possible you are requested to approach the site from the A286 via the Charlton Road
- place all rubbish in the designated areas provided
- do not use any amplifiers or publicly audible sound systems
- respect other campers using the site and report any disruptive behaviour to the site manager asap
- do not invite people onto site who are not camping at New House Farm
- keep Dogs on leads at all times and please please please clear up after them!
- either use toilets provided or empty your chemical toilet waste into the tank provided
- do not use fireworks or Chinese lanterns
- only use motor vehicles for accessing the site (maximum speed 15mph). Do not drive them around the site unnecessarily
- keep campfires at least 8m from any wooded areas and to a reasonable size (no bigger than 1/2m diameter). Campfires are not permitted in very dry conditions but this will be made aware to you on arrival
- do not throw bottles or cans onto campfires and make sure the fire is extinguished **fully** before departure
- do not help yourself to wood from the surrounding forest. You can either bring your own or purchase it on arrival
- do not bring a generator as they are not permitted
- respect our neighbours in the village by driving carefully and also our campsite by leaving it as you would wish to find it
- on day of departure, **leave the site by 1:30pm** (unless the site manager has informed you there is no camping on the following day, in which case departure must be by 9:00pm)

The campsite management reserve the right to remove anyone who they feel has breached any of the above rules at any time without refund. We hope this is not needed but the enjoyment of all of our campers is of utmost importance to us.

**Please note:** All vehicles and possessions that are brought onto site are done so at the owners own risk. New House Farm can accept no responsibility for any damage, loss or injury which may occur while on the premises. We are afraid that **towed caravans are not allowed** on site.

We look forward to seeing you at New House Farm and hope you will have a pleasant stay,  
The Humphrey Family
